6/1/2017

I would like to share some exciting news in pediatric coverage in our communities. We recently expanded pediatric coverage in Swain County. I wanted you to know that I am available to see children from birth to age 20 for well child checks, same-day sick visits and other pediatric and adolescent appointments at Swain Family Care in Bryson City.

Swain Family Care is located inside Swain Community Hospital located at 45 Plateau Street in Bryson City. The practice includes Tammy Johnston, MD, David Johnston, MD, and Certified Physician Assistant Vicki McCormack. Dr. Tammy Johnston and Dr. David Johnston see the full range of patients, including pediatric patients, in the practice and always have same day appointments open for children who are sick. Swain Family Care is open 8 a.m. to 5 p.m. Monday through Friday.

I'm available at Swain Family Care Monday through Friday, **We have pediatric walk-in clinic for established sick visits Monday through Thursday from 8 a.m. to 9 a.m. (no appointment needed).**

We want to be available for you. Your children can see me at either location and will not need to transfer records. Harris Pediatric Care and Swain Family Care are both a part of the same Harris family.

After hours, you'll continue to call Harris Pediatric Care to reach our on-call pediatricians at (828) 586-9642.

I look forward to continuing to take care of our community and your little ones.

With thanks,

Brooke Budde, DO, FAAP, FACOP
